Key Signatures for the Major & Minor Keys (using Sharps)

Four patterns are worth noticing:
1. As you add each sharp, keep the sharps you already have.
2. The order of sharps is F#-C#-G#-D#-A#-E#-B#.
3. Each new sharp is a Perfect 5th above/Perfect 4th below the last sharp.
4. The last sharp is always Ti of the Major Key.
